

Important Notice

Parents and Students,

Several students at Griffith Elementary School, Sequatchie County Middle School, and Sequatchie County High School have severe allergies to nut products. This is a very serious and potentially dangerous situation for these students. Students with nut allergies cannot eat or come in contact with foods containing nuts or nut products. In order to keep these students safe, we suggest that you leave foods that contain nuts or nut products at home.

Thank you for your cooperation in this matter. We want all of our children to have a safe environment in which to learn and grow. If you have any questions, please contact the school nurse for Griffith Elementary, Sasha Whited, at 949-2105 swhited@sequatchie.k12.tn.us; or Stacey Blevins for SCMS and SCHS at 949-2154 sblevins@sequatchie.k12.tn.us; or Rhonda Harmon at 949-3617 rharmon@sequatchie.k12.tn.us.

Thank you,

Rhonda Harmon
Federal Programs Director
