MSAA For Students with Disabilities

The Multi-State Alternate Assessment (MSAA) is the English language arts and math assessment for students in grades 3–8 and grade 11 with the most significant cognitive disabilities. MSAA is administered online by the teacher.

Administration Window: March 15-April 30, 2021 (tentative) **Required:** Yes

Applicable Federal/State Law: The development of alternate achievement standards for students with the most significant cognitive disabilities is authorized under a department regulation (34 C.F.R. Part 200) published on December 9, 2003, and T.C.A § 49-1-612. The Individuals with Disabilities Education Act (IDEA), section 504 of the Rehabilitation Act of 1973, and Title I require the inclusion of all students with disabilities in the state assessment system.

Purpose & Use: This test is given to help measure how much a student grows academically over the course of a school year.

Results to Parents & Students: Districts receive individual performance reports which detail student performance and share with parents

Students are given the assessment during class time throughout the window based on student needs and class schedules.

<p>District Formative Assessments Universal Screeners: Easy CBM, TE21CASE Assessment</p> <p>Administration Window: Fall, Winter, and Spring</p> <p>Required: Yes</p> <p>Applicable Federal/State Law: Universal screeners are required by TDOE to determine students eligible for additional services. Purpose and Use: A universal screener is administered to ALL students to determine whether students demonstrate the skills necessary to achieve grade-level standards. Universal screening reveals which students are performing at or above the level considered necessary for achieving long-term success (general outcome measures). This data can also serve as a benchmark for measuring the improvement of a group, class, grade, school, or district. Universal screening can be used to identify students in need of further intervention due to identified skill deficits below the 25th percentile. A more precise assessment may be needed to determine a student’s specific area(s) of deficit before beginning an intervention. Student progress will be monitored every two weeks in the areas of identified skill deficits.</p> <p>Results to Parents and Students: Parents will receive universal screening results with the student’s progress report.</p>	<p>Tier II, III and students with disabilities are progress monitored every two weeks with the following: Easy CBM</p> <p><i>August 5-14, 2020 COVID19 Loss of instruction assessments TE21 CASE Assessment</i></p> <p>Testing Dates for Benchmarks: High School (EOC Subjects) September 14-25, 2020 November 9-20, 2020 February 8-19, 2021 April 5-16, 2021 Kg-8th Grades September 28- October 9, 2020 (Kg-8) Nov. 30-December 11, 2020 (Kg-8) March 15-26, 2021 (Kg-8)</p>
