Dear Parent/Guardian,

The Sequatchie County School System invites you to engage in timely and meaningful consultation regarding the provision of special education services to students enrolled in a private or homeschool program.

A meeting has been scheduled at the Sequatchie County Board of Education on Tuesday, November 12, 2024 at 3:00 to discuss special education services provided by our school system. If you feel your child might have an educational disability or be in need of special education services, please attend the meeting for more information.

If you are unable to attend, please feel free to contact me at 949-3617 if you have any questions or concerns about your child. If you have no concerns about your child's educational progress, you are not required to attend the meeting.

Sincerely,

Kristy Albright
Special Education Supervisor
Sequatchie County Board of Education
